

Ong Cen Kuang
Denpasar, Indonesia

Ong Cen Kuang creates original, handcrafted home decoration that allow the unique materials' characters to speak for themselves. Our creations are timeless and innovative, fusing traditional craft with modern elements, resulting in pieces filled with stories and soul. Brand founder Budiman Ong has always been drawn to lighting: the irreplaceable element in any home. Keen to follow his passion in exploring different materials' unique characters, Ong Cen designs and builds lighting fixtures by hand.

Export products: Lighting
Export to: America, Asia, Europe
Certification: Part CE certification
