

Tekura Enterprises Ltd.
Accra, Ghana

Tekura is a small family business specialized in the crafting of contemporary furniture and interior décor products. We design and make a range of tables, stools, mirrors, cabinets, bowls, vases, candleholders, with the skills and spirit of our local Artisans. Tekura uses the cut-offs and stumps left over by the timber industry and only gets them from sustainably managed forests. We have a well-equipped workshop with about 25 artisans, and run a gallery in Accra.

Export products: Contemporary African accent furniture, home décor, kids furniture

Export to: America & Europe

Certification: WTO membership in process
