

Zizamele Ceramics

Cape Town, South Africa

Zizamele Ceramics creates a range of unique handmade ceramics. Our signature piece is a hand-thrown bowl to which our talented artisans have added a rim of hand-modelled female figures. We also offer a range of related products, such as vases, candlesticks, tea-light holders, and planters. All these items are hand painted in Africa's vibrant patterns and colors. The latest colorway is black clay decorated in white with metallic accents.

Export products: Handmade ceramics, bowls, vases, candlesticks, tea-light holders, planters

Export to: America, Europe
